Oliver Betschart

The Bermuda Golf Association are pleased to note the progress of Oliver Betschart, a member of the Bermuda Golf Association Junior Program. Over the past two months with the support of his family, Oliver has been playing tournaments on the South Texas PGA Junior and Prestige Tour. Oliver did a similar trip in 2021, and this year he has seen fantastic progression in his game. To date Oliver has played five events in Texas, placing no lower than third place. He produced a stellar performance, shooting his first under par score in tournament conditions at the Riverside Course in San Antonio, Texas which resulted in Oliver winning his age group and beating a field of 71 participants.

National Archery Association of Bermuda

Bermuda Archers have secured a spot to compete in the Central American and Caribbean Games to be held in San Salvador in May 2023 during their participation in the Puerto Rico Archery Cup.

Three archers travelled to Bayamon, Puerto Rico and competed in the Puerto Rico Archery Cup which was held from 14 March through to 20 March 2021.

Camerin Pickering, Jaydon Roberts and Bernard Wade III competed in the team event against the host team Puerto Rico. This was the match to watch as Bermuda and Puerto Rico ended up with a tied score which lead to a shoot off. Both Bermuda and Puerto shot

the same score which then resulted in judges measuring which team's arrow was closest to the center. The match was awarded to Puerto Rico however Bermuda was recognized as a country to watch.

Individually the archers had a good shoot as well with Camerin Pickering finishing in 14th, Jaydon 25th and Bernard 27th.

We are extremely pleased with the results we have achieved from this event as we prepare archers for the second qualifier in September 2022 to be held in the Dominican Republic.

Head Coach of the SWNT, Naquita Robinson said "Very excited about these next two matches, especially the home match." The SWNT will host their home match in Bermuda for the first time in this competition, against Grenada; the final match of the qualifying round.

"Preparation has been along the same lines as in the first two matches," she said. "Having the home crowd for our final match which could play a huge role in our chances to qualify for the next round will be vitally important. Clermont Race Report

On 6th March, 10 Bermuda youth triathletes traveled to Clermont, Florida to compete in the Clermont Draft Legal Challenge Triathlon.

Jaeda Grant, S'Nya Cumbermack, Nell Wightman, Jacob Wright, Jackson Langley, Jake Smith, Ollie Hayward and Callum MacFarlane all competed in the Youth Development Race while Manning Smith and J'auza James took part in the U25 National Development Race.

Our youth athletes were in a competitive field with over 40 athletes in each of the male and female divisions. The boys did really well coming in the top half of their group. They all had smooth clean races and pushed themselves right until the end. The girls showed determination with Nell coming in the top half of the field and both Jaeda and S'Nya overtaking many on the bike and the run to finish strong. Both J'auza and Manning had a mature group of athletes to face off with. Unfortunately, both were lapped out on the bike portion of the race but are ready to go back next year. Thankfully no one found the alligators in the lake.
